How to use this planner

This planner gives anyone who wants to get organised a simple monthly rhythm: plan the month, log what you spend, tick bills off as they are paid, and watch your savings grow. Print a new set of monthly pages whenever you need them.

- Print on Letter or A4 paper — choose “fit to page” in the print settings.
- Print as many copies of any page as you need, for as long as you use it.
- Or open it in a tablet note-taking app and write straight onto the pages.
- Start small: fill in one page today rather than planning to do all of it.
