

PRINTABLE PLANNER

Simple Debt Payoff Planner

List every debt, choose a payoff order, and track every payment to zero

How to use this planner

Write every debt down in one place, choose which one to focus extra payments on, and log every payment. Seeing balances shrink on paper is a powerful motivator. This planner is an organiser, not financial advice.

- Print on Letter or A4 paper — choose “fit to page” in the print settings.
- Print as many copies of any page as you need, for as long as you use it.
- Or open it in a tablet note-taking app and write straight onto the pages.
- Start small: fill in one page today rather than planning to do all of it.

My payoff order

Smallest balance first for quick wins, or highest rate first to pay less interest. Either works if you stick with it.
