How to use this planner

A little every day beats a lot once a month. Keep the daily list short, spread rooms across the week, and save deep cleans for once a month.

- Print on Letter or A4 paper — choose “fit to page” in the print settings.
- Print as many copies of any page as you need, for as long as you use it.
- Or open it in a tablet note-taking app and write straight onto the pages.
- Start small: fill in one page today rather than planning to do all of it.
