

PRINTABLE PLANNER

Student Study Planner

Exam countdowns, revision timetables and assignment trackers

How to use this planner

List your exams first, then work backwards: topics to cover, weekly revision slots and short focus sessions. Tick topics off as you go so nothing gets missed.

- Print on Letter or A4 paper — choose “fit to page” in the print settings.
- Print as many copies of any page as you need, for as long as you use it.
- Or open it in a tablet note-taking app and write straight onto the pages.
- Start small: fill in one page today rather than planning to do all of it.
